Property Description

Beautifully refurbished two bedroom apartment on the third floor (with lift) of a stunning period building on one of Kensingtons most prestigious addresses.

Set within an elegant period building on a prime Kensington address, this beautifully refurbished lateral apartment offers refined living in one of West London's most sought-after locations. Positioned on the third floor with lift access, the property combines classic proportions with a carefully considered contemporary finish.

Located in an end of terrace building on a quiet no through road/cul-de-sac and therefore benefits from no through traffic.

The apartment has been thoughtfully redesigned throughout, with a strong emphasis on craftsmanship, materiality and flow. A welcoming entrance hall creates a sense of arrival and leads through to a generous 22 foot reception room, where two large sash windows draw in natural light and frame leafy views across neighbouring mansions and treetops.

The kitchen has been sleekly executed and is fitted with premium Miele appliances, offering both practicality and understated elegance. Accommodation comprises two well proportioned bedrooms, including a principal suite with bespoke detailing and a marble-finished en suite bathroom, complete with antique brass fittings. A second bathroom serves the guest bedroom and is enhanced by a rare full-height sash window and a striking statement shower.

Residents benefit from newly refurbished communal areas, while the location offers immediate access to Kensington Gardens, Kensington High Street, Notting Hill Gate and Portobello Road. A calm and beautifully balanced home, perfectly suited to those seeking style, privacy and proximity to some of West London's finest amenities.
